SPIRITUAL GROWTH

- We often take time just to worship as a team.
- Our team is growing in their understanding and demonstration of worship.
- The spiritual input is from many members of the team.
- Prayer times are energetic and powerful with high participation.
- We always make time to read something from scripture.

RUNNING THROUGH SONGS

- We're good at replicating songs we play from other churches.
- We're developing our own style as a band.
- We often get stuck on parts of songs and it slows us down.

COMMUNICATION

- The team is aware of the vision and culture of our team and church.
- We communicate values throughout rehearsal to the team.
- We have a good system of communication during worship (signals, leaders, eye contact).
- The team is good at reading where things are going and pulling in the same direction.

TEAM DEVELOPMENT

- Our team is regularly growing with new additions.
- We create opportunities for new and young leaders to help them grow.
- There's good collaboration with other teams in the church.
