

COMMUNICATION SURVEY

HOW ARE WE SERVING ON QUALITY, TIMELY COMMUNICATION?

QUALITY

The team communication contains relevant, helpful details.

Never

Mostly

Always

The team communication is concise and to the point.

Never

Mostly

Always

The methods of communication (email and mobile) work well for me.

Never

Mostly

Always

My preferred method of communication is

Mobile

Phone call

Email

Team Meeting

Please specify other method of communication you prefer

One thing I would improve about the quality of communication is...

TYPE

There's a good balance of admin, development and spiritual input.

Never

Mostly

Always

I'd like to get more communication about:

QUANTITY

Team communication is regular and sufficient.

Never

Mostly

Always

One thing I would improve about the amount of communication is...

TIMING

We receive communication in time.

Never

Mostly

Always

I prefer worship related communication on:

Weekdays

Weekends

No preference

One thing I would improve about the timing of communication is...

I'm appreciating:

The following things are not helpful:
(And this is how we could improve)

This form isn't sufficient, I need to meet with a leader.
